PSED Long Term Plan guideline for learning

Part of esteem emat Multi-Academy Trust Stronger Together...

Jigsaw learning outcomes for 3–4 years are used as aspirational long term goals to ensure curriculum intent, coherence, and progression. They should be used to adapt Jigsaw themes into appropriate learning experiences that develop foundational skills necessary for engagement and future functional learning.

Topic	Being Me	Celebrating difference	Dreams and Goals	Healthy Me	Relationships	Changing me
	•Express and experience feelings of happiness and sadness. • Experience and understand how it feels to belong. • Begin to recognise my feelings. • I can use gentle hands and understand it is good to be kind to people. • I will experience and explore my feelings. •I will show happiness and displeasure during activities, through expressing simple preferences. I will experience and participate in a sensory shared learning experience with my friends and begin to show awareness of others.	I can tell you one way in which I am special and unique. •I can say how to be a kind friend. •I know the names of some emotions such as happy, sad, angry and frightened. •I can identify something I am good at.	.I can feel proud when I achieve a goal. • I can work and play co-operatively with others. • I know how to use kind words and actions towards my friends. I can start to think about the jobs I might do when I am older.	•I know the names of some of my body parts. •I recognise some foods that are healthy or unhealthy. •I can wash my hands and know it is •important to do this before I eat and after I go to the toilet. •I understand how moving and resting are good for me body. •I know to say NO to strangers.	•I can tell you about my family. •I can work together and enjoy being with my friends. •I know what to do or say if someone is mean to me. •I know how to be a good friend.	•I understand we all grow from babies to adults. •I know that I grow and change. •I can recognise me and name some parts of my body.
