

Online Safety Committee Meeting Minutes

Date - 14/10/2022

Staff Present - Mrs Price (Headteacher)
& Mr Richins

Pupils Present - RT (Lobster), FV (Starfish), ED (Octopus), GL (Penguins), RD (Dolphins), HH (Whales), DS (Seahorses)
Apologies - LP (Turtles), HY (Jellyfish), Kay Bentley (Governor)

Minutes - Mr Richins started the meeting sharing the interactive story of Digiduck with (GL), (HH) and (DS). (GL) was looking at communication books and (RD) used the Zones of Regulation to explain the story made him feel 'green'.

During the meeting, we discussed the purpose of the Online Safety Committee. (RT) said Online Safety is about being safe when using technology. All committee members came up with brilliant ideas to do with keeping safe online. (ED) said you should never tell people you don't know online your name, house number or telephone number. She also added if a stranger sends you a message, you should tell a grown up and not reply.

Mrs Price explained that we can think about Online Safety in lots of different subjects at school, especially when using computers and iPads and reminded members of key adults they can talk to if they are worried about anything online.

Members shared different games they like to play at home such as Fortnite, Roblox, Minecraft and the Lion King game. (RT) said that he is not old enough to play Fortnite, (ED) added that some games can be played if your mum and dad watches and plays with you. All committee members agreed it would be good to print some posters for these games and share them at the next meeting.

Mrs Price shared the National Online Safety poster about Fifa 23 and asked members to share these with their class. (FV) said that the smaller children won't need one but they might have older brothers and sisters. Everyone agreed we should include it in our Newsletter to help families at home.

Any other business -

(ED) asked why the computers had a new orange sign on them. Mrs Price explained Mr Richins had put these there to remind teachers to lock their computer when they leave the room.

Actions -

- Include FIFA23 Poster in the next newsletter.
- Print off posters from National Online Safety for Roblox, Fortnite and Minecraft to share at the next meeting.

Next Meeting - 11/11/2022
