

## Online Safety Committee Meeting Minutes

**Date** - 11/11/2022

**Staff Present** - Mrs Price (Headteacher), Mr Peach, Mr Richins, Miss Ward

**Pupils Present** - RT (Lobster), FV (Starfish), ED (Octopus), RD (Dolphins), CD (Seahorses), AH (Seals), KP (Octopus)

**Apologies** - GL (Penguins), RD (Dolphins), HH (Whales), DS (Seahorses), LP (Turtles), HY (Jellyfish),

**Minutes** - Mrs Price spoke about the last meeting and reminded all children about what Online Safety Committee meant and reminded children that it was their job to know how to be safe Online and be able to talk to other children about this.

Mr Richins showed all children the posters he has found on Fortnite, Roblox and Minecraft. The committee talked about the ages on the posters and what that meant. Some children shared that they have Instagram and snapchat on their phones, Mrs Price reminded the children you have to be 13 to have an account with these social media accounts.

Mr Richins suggested having a parent/carer forum one afternoon to spurt parents/carers with their understanding of Online safety and helping parents to look at settings on devices.

Mrs Price talked about it being Anti-Bullying week next week in school and asked if children could be bullied on a tablet. They all didn't realise that they could! Mrs Price gave some examples of cyber bullying at an appropriate level and shared the online bullying poster which is going to be sent to all parents on Monday and will be available in the website.

Finally, we talked about some parental feedback from the parent view questionnaire and talked about although we have to be safe on social media, it can be used in a sensible way as a form of communication. One parent has identified that the schools Instagram account needs to have a wider range of children photographs from different classes. FV nominated Mr Peach (IT apprentice) to take more photographs across school every day to send to Miss O hare rather than waiting for teacher to send them. Mr Peach was happy with this.

**Any other business -**

Mr Richins talked about us receiving the National Online Safety accreditation within school. Next time he will take a photograph of the Online Safety Committee with the award.

**Actions -**

- Take get and put up the National Online Safety Plaque and celebrate this achievement with the Online Safety Committee.

**Next Meeting - 13/1/2022**
