Minutes –

The Online safety committee met on Thursday 19 March 2026. They talked about Bletchley Park and agreed that letters would be sent to invite members to the trip, alongside School Council.

The online safety assembly went well with committee members attending

The committee watched another episode of 'Think you Know' and watched the 'Funny Tummy song'. They discussed how different feelings in their tummy can affect decision making and understood that if they felt worried or uncomfortable, they should speak to a trusted adult, such as a parent or carer, an extended family member or a member of the school staff team. Children also showed a clear understanding that online safety teaching always takes place before a computer lesson

Most members of the committee knew that Mrs Kobylanski is responsible for keeping children safe as the Designated Safeguarding Lead, although it was agreed that further action is needed to make sure all staff clearly communicate this to pupils.

Mrs Price also stated that more lanyards were to be made by Mr Livett.

Wake Up Wednesday posters were not given as they are not suitable for a primary school this time.
