Apologies – Imogen (Seahorses), Logan (Turtles), Enzo (Jellyfish). Abdul-Haadi (Penguins) CJ (Seals), Jack (Whales) Spencer (Fish) Brody (Starfish) Freddie (Jellyfish) Jacob (Turtles)

Agenda –

- Online Safety Week
- 360 degree award review

Minutes –

Mr Peach has made extra Online safety lanyards, these will be kept by Mrs Kobylanski and Mrs Price in their room for meetings as well as pupils being allowed to take them home.

We also discussed Online Safety Day which will take place on Tuesday 10th February. On this day, the school hall will be out of use all day and school dinners will take place in classrooms. Children across the school will be involved in a range of online safety activities and discussions. Teachers will be spending time on the day talking to children about how to stay safe online, using the resources provided to support lessons. In addition to this, each class will also teach an online safety lesson as part of one of their topic sessions either on the day itself or at another point during the week. Starfish, Octopus, Rays, Lobsters and Dolphins – will be taking part in an iVengers online safety workshop in the hall (please see the attached timetable for more details). These sessions will help pupils explore online risks and learn practical ways to keep themselves safe.

We explained the Section 360 review and talked about the children's role within the Online Safety Committee, including how they help share ways to stay safe online with other pupils across the school and the importance of staying safe online.

Posters were given out from the National Online Safety website to display around school.

Any other business –

- None

Actions–

- We agreed that the children will create online safety posters at the next meeting to share around school.
- We agreed that the Online Safety Committee will join Hannah in the Online Safety Assembly during Online Safety Week.

Next Meeting – Friday 27th February, 2026 at 220pm
