Agenda –

- Bullying online
- Posters around School

Minutes –

The children discussed what bullying online meant. Mrs price shared posters that the children need to put around school to inform others. These need to go in everyone's class.

Children also talked about 'gaming' the most; some play on fortnight. Mrs Price reminded the children that they were too young to play on this. That said, as an action, Mrs Price would look at some more detailed information that to go up in classrooms and go home with children reminding them of how to keep safe when they are 'gaming'.

Any other business - Max has now left the IT job and Harry is in place until Summer.

Next Meeting – 1st April 2022 at 115pm
