- Pupil questionnaire Online Safety
- AOB

Minutes –

- Mrs Price asked all reps to take the new National Online Safety posters back to their classrooms. Mrs Price asked if all children continued to have Online safety lessons before Computing, which they do. FV stated that he had learnt about the CEOP button, where he could report something if he felt worried or nervous about anything online. Mrs Price praised him for this.
- Mrs Price talked about the trip to the National Computing museum (Bletchley Park). All children are excited about this opportunity. Children had remembered to not talk to strangers online. Children were also learning about being safe online in other subjects. RT knew about hacking and how some clever people were able to get 'important data'. Mrs Price praised him for this knowledge. FV knew about keeping passwords safe and RP talked about not giving anyone 'any details' about yourself online.
- Mr Richins and Mr Peach are going to talk about the 360-degree safe award on the way to Bletchley park. The committee also need to revisit the Pupil questionnaire regarding Online Safety on the way to the Museum and these will be sent out in morning briefing by Mrs Price on Wednesday for all pupils to answer.
- A cyber workshop still needs to be booked for next academic year
- AOB – Mrs Price is going to talk about the Governments update on 'filtering' to keep us all safe in the next meeting.
