**Apologies** – None

**Agenda** –

- Introductions
- National Online Safety Website
- CEOP Website

**Minutes** –

- The Online Safety Committee were brought together for their first meeting. They were showed the National Online Safety website and looked at the posters that can be shared across school and with parents/carers.
- Mrs Price checked that pupils are taught about how to keep safe online in lessons, not just during a computing lesson but threaded through the wider curriculum. Pupils consistently know well that they must not talk to strangers online and give out their personal details when gaming. They also know that passwords need to be safe.
- Mrs Price also showed them the CEOP website, played on the online safety game (band runners and) and identified where the CEOP reporting button was on the school website.

**Any other business** –

- None

**Actions**–

- None

**Next Meeting** – Friday 22<sup>nd</sup> November 2024
