

Safeguarding Policy for Children

Written in consultation with Functional KS2 Classes,
School Council and Online Safety Committee

Safeguarding at Fountains Primary School

Our school has a safeguarding policy for staff, families and governors. This child friendly policy is designed for you.

It will help you decide what could be a problem and where to get help. You might want to talk to someone about something that is upsetting you.

We have people in school who are trained to help you. It is important that you know where to get help if you are worried or unhappy about something.

Safeguarding means we will:

Protect you from harm

Make sure nothing stops you from being happy

Make sure you are looked after safely

Make sure you have the best chances in life

Designated Safeguarding Leads

You can talk to any adult in school, but some staff are responsible for making sure you are safe and well cared for.
