### **Minutes** –

- Mrs Price congratulated the Online Safety Committee about the re-certification of the 360 degree safe award and the way they spoke to the examiner.
- Bletchley park is now booked for the Summer term.
- National Online Safety Posters were given out for children to hand out around school.
- The Online Safety Committee talked about Online Safety Day and the Computing lessons they have. Pupils know how to keep themselves safe and talk about this well when looking at their books. Some pupils understood that information is not always correct and that you have to be careful about who you chat online to. During the National Online Safety Day, pupils carried out an Online Safety quiz, they looked at different websites, how to detect that a website may not be real and discussed pop ups. Pop UK came in and the pupils learnt songs about how to keep 'Safe Online', how to be kind online and ensured that pupils learnt about the importance of talking to their parents/carers about the sites they are on. Bletchley Park has now been booked for the Online Safety Committee and some members of school council. This will be on Wednesday 10<sup>th</sup> July 2024, more details to follow.
- As usual the Committee then looked at some filtering and monitoring and some captures that had took place, they ended the session by choosing some Online Safety Posters to give put around school, these included a guide on the safe use of Amazon Alexa.
