- Safeguarding
- Resources in school
- Health and Safety
- School briefing minutes

Minutes –

- We discussed what playground equipment we may need more of, sunken trampolines; swings on the hill by the new classroom; see-saws; hoops; scooters; bat/balls and goals posts. It was decided that next meeting we would go and check what resources are needed and give a list to Mr Fogg (PE Lead) to decide.
- It was discussed that the children want their own school dog; cat; fish; hamster; butterfly. Mrs Price said she would take this to briefing to see if any Teacher would be happy to have a pet in class.
- Mrs Price asked if they know where to go when they feel sad or when they are being bullied. Some of the children were still unsure but most knew. It was decided that Dan needs to make some child friendly posters informing children who they can talk to and where they can go if they don't feel safe.
- Children were asked if there are any more resources they wish to purchase. The children requested more sensory toys such as poppets. Mrs Price to speak to Catherine Shakles regarding this.
- Mrs Price discussed the fire alarm going off and how we are going to have a key in a high alarm to alert if there is a fire. This will stop children setting off the alarm by accident or when it is a false alarm.
- Mrs price stated at the next meeting we will discuss main points from briefing minutes to inform the children of the main issues in school.
