Agenda –

- Online Safety Day
- 360 degree safe
- National Online Safety Website
- Filtering and monitoring

Minutes –

- Mrs Price talked to the Online Safety Committee about the Online Safety Day which is due to take place in February, we discussed any ideas we had to promote the day. OA talked about having people into school again like last year. We also talked about parents/carers coming into school. Mrs Price to speak to Mrs Wilburn about this.
- Once again, all children talked about how their class had thought about Online Safety in school. FV talked a lot about fraud and how the people online that you might meet may not be real people.
- Mrs Price talked about the 360 degree safe award re-certification. Mrs Wilburn and Becci Bailey is currently arranging a day, children were happy to be involved with this and talk to the examiners who are coming in.
- We looked through the National Online Safety Website and chose two posters to help support children and parents/carers at home. One of these was about to sort the access controls on the new devices bought at Christmas. The other was about Fifa 23. The children took these around school, after the meeting.
- Mrs Price introduced the children to ‘Securus’ the filtering and monitoring system that we have in school. We read the AUP pop up together and looked through some captures, some that were false captures and some that had actually captured what the children had typed in. This was a really useful discussion and children understood why the filtering and monitoring was very important.
- Mrs Price asked if the Online safety council would like to go to Bletchley Park again, they did.

Any other business –

- None

Actions–

- Mrs Price to send out latest Online Safety Guides on the newsletter and Weduc.
- Mrs Price to talk to Mrs Wilburn about what is happening on Online safety day
- Mrs Price to book Bletchley for the Summer Term

Next Meeting – Friday 15th December 2023 at 1245pm
