**Apologies** – None

**Agenda** –

- 360 Degree Award
- National Online Safety posters

**Minutes** –

- The School Council had a quick meeting this week before their trip to collect the school Christmas tree from Maze Maize at the National Forest in Anslow.
- Pupils talked about purchasing a new buddy bench, which they feel would help support friendships and wellbeing during playtimes.
- The council also discussed creating communication stations for use in the local community. These will replicate the communication stations already used within school and are intended to help pupils feel more confident when accessing community settings. Suggested locations included doctors' surgeries, dentists, the chemist, restaurants, and local shops.
- Pupils also shared their views on enrichment days and trips, explaining that they would like more opportunities to have a say in these, particularly when activities link closely to their learning. Mrs Price said she would speak to Mrs Wilburn about this.
- Pupils suggested having a wellbeing day each half term, with enjoyable activities planned throughout the day to help support emotional wellbeing, linking to Zones.
- Pupils bought suggestions of summer school trips
- Mrs Price brought photos of playground markings which the pupils chose
- Mrs Price said pupils in Functional classes could continue to bring a friend

**Any other business** –

- None

**Actions**–

- Mrs Price will think of different ways to capture pupil voice to support all pupils
- Mrs Price will speak to

**Next Meeting** – Friday 30<sup>th</sup> January 2026.
