Minutes –

- Mrs Price welcomed school council. A discussion was had about football. This has been brought back again. It's going well and pupils play in a cornered off area.
- FV talked about the skateboards, these are banned at the moment. School council agreed that these could come back with staff on a 1:1 observing pupils. Knee pad and elbow pads also need to be brought.
- School Council talked about the clubs again. They want the swapping of pokeman cards and football cards to be allowed again, with the supervision of an adult. Mrs Price agreed that this too could return with close supervision.
- Pupils talked about their Maths lessons and we looked through their books. Pupils are enjoying the lesson and are able to recall facts well. They have a good understanding about money due to the new financial money scheme they are being taught weekly. A reward system featuring money has still not been introduced. Mrs Price Will feedback to Mrs Wilburn
