

Eco Committee Meeting Agenda.

Date - Friday 1st December 2023

Present - Catherine Hunter, Becky Wood, AG (Dolphins), HH(Fish), MM (Starfish), KP (Octopus), DR (Seahorses), MB (Whales), DMR (Whales)

Apologies - RLP (Seals), MG (Turtles) EW (Lobsters) HB (Penguins)

Agenda:

1. Talk about how the 'Cut Your Carbon' initiative went.
2. Monitor the progress of the bottle top initiative for Burton Rerun.
3. To go litter picking around the school grounds.

Minutes:

1. We talked about how the 'Cut Your Carbon' initiative had progressed during the month and were pleased with the response of classes displaying their posters and around the school. Details also were published to all parents on the school's 'reach more parents' communication portal, with details about the initiative and links to the website.
2. Following the previous meeting on 13th October, the Eco-Committee's decided to collect bottle tops for Burton Rerun. The Eco-Committee collected the box, which currently sits in the reception area to see the response, it was pleasing to see that the box is nearly full and that donations are coming in from both parents and staff. Again, the project has been published on the school's reach more parents communication portal.
3. The Eco-Committee braced the cold weather and went litter picking around the school grounds. They collected lots of litter and a few toys that had been thrown, but were amazed at the amount they collected. Pupils agreed that collecting litter is important and improves the school environment.

Next Meeting - Friday 26th January 2024 at 12.15pm
