### **Minutes**

This half term the Eco Committee only had a short meeting. The committee were told that they were going to make a video about the forthcoming adventures that the Eco Committee are going to have.

The Eco committee also recycled paper and were reminded it was important to turn off lights in room that are empty.

The Eco Committee continued to talk about the Green flag award. Mrs Revill explained more about the award and this will begin after Christmas.

Mrs Price explained that some committee meetings are going to happen in the hall, with functional classes observing. She showed them a very short clip of Question Time explaining that classes would be like the audience, who could continue to the discussion if they wanted to. This will be trailed after Christmas with all three committees.

### **Actions:**

- More information needed on the Green Flag Award

**Next Meeting** - 20<sup>th</sup> January 2023.
